Case #292: Michael Hamberg requests a dimensional variance to construct an addition to an accessory structure. The 18 ft by 50 ft addition would add 900 square feet to the 1500 square feet of existing accessory storage, which would exceed the 1800 square feet allowed by ordinance. The structure is located at 150 Kromiller Road.

One response as of March 21: from Mary Baker, no objection to the request. Her property is directly across the Hamberg property
