VIII. DNR Outdoor Recreation industry Office overview_(Mark and Dave)

*The Outdoor Recreation Advisory Council makes recommendations to the **Office of Outdoor Recreation Industry**, the DNR and MEDC on ways to improve partnerships, collaborative strategies and policies that will increase the outdoor recreation economy, employment and consumer spending, and support conservation and public recreation assets.*

The new Office of Outdoor Recreation Industry will work to:

Expand the outdoor recreation economy in the state.

Build awareness about the importance and value of the businesses – large and small – that comprise the industry.

Collaborate with industry partners to anticipate emerging recreation trends.

Promote outdoor recreation activities across the state.

Create support for the stewardship of Michigan's natural resources.

VI. Next meeting: WEDNESDAY OCTOBER 20, 2021
